INTRODUCTION OF YOGA-

Yoga' is a Sanskrit term meaning 'to join, unite or yoke together', and the essential purpose of yoga is to bring together body, mind and spirit into a harmonious whole. The central methods of yoga are physical postures or 'asanas' and movement, breathing techniques or 'pranayama' and meditation. Yoga includes guidance on healthy lifestyle, eating habits, mental attitude, and Ayurvedic medicine is also part of the Yogic path to health and balance.

Physical benefits of yoga

- Improved posture
- Better sleep
- Increased natural energy level and vitality
- Greater flexibility, strength and stamina
- Pulse and respiratory rate decreases
- Blood pressure decreases
- Cardiovascular efficiency increases
- Respiratory efficiency increases
- Cleansing and regulating of all the body's systems

Mental benefits of yoga

- Calm and clarity
 - Greater confidence and generally more positive mood
 - Sense of inner well-being and 'centeredness'
 - Increased awareness of body and movement
